# HERE'S HOW IT WORKS.

CareerWise apprentices split time between school, the workplace and additional coursework on a schedule that works for students and businesses.

	YEAR 1	YEAR 2	YEAR 3
 <b>AT HIGH SCHOOL</b> Core academic courses at school (e.g., math, science or language arts)	Approximately 3 days per week	Approximately 2 days per week	You've Graduated!
 <b>ON-THE-JOB</b> On-the-job-training, in form of occupation, rotation or projects	12-16 hours per week	20-24 hours per week	32-40 hours per week
 <b>ADDITIONAL COURSEWORK</b> Multi-skill training curriculum in occupation—specific skills	Apprentices will not typically take any additional coursework in year 1. Varies by occupation.	Apprentices will earn an industry-recognized professional certification relevant to their work	Employers have agreed to pay up to \$4,000 in college courses—about a semester's worth.
